PERFORMANCES
FOR THE OUTGOING STUDENT

Do you love to be the center of attention? Do you enjoy speaking in front of a crowd? If you answered yes to those questions, performance is the category for you! Read below for tips and tricks on creating your performance entry.

- You may perform as an individual or in a group of up to five students.
- Your performance cannot exceed ten minutes.
- In addition to preparing your performance, you must also write a process paper and an annotated bibliography.
- Have fun creating your costume, set, and props, but remember simple is often best!
- Don’t forget to introduce yourself! Make sure to say the title of your entry and your name before you begin performing.
- You are allowed to use media within your performance as long as you operate it yourself.
