

2021 National Contest Paper Submission Instructions

STEP 1: Create one PDF that includes your title page, process paper, paper, and annotated bibliography. (Free apps for combining multiple documents into one PDF include [Small PDF](#) and [I Love PDF](#).) The final PDF document order must be: title page, process paper, paper, and annotated bibliography. You can only upload one PDF so it must include all of these components.

STEP 2: Go to the National Contest registration link and log in to your NHD student profile.

STEP 3: Upload your PDF file into the **Paper** field. If you already have a file uploaded in your profile from the affiliate/state contest, you will need to replace it with your updated file.

STEP 4: Click **Save**. That's it!
