

## 2022 National Contest Paper Submission Instructions

**STEP 1:** Create one PDF that includes your title page, process paper, paper, and annotated bibliography. (Free apps for combining multiple documents into one PDF include [Small PDF](#) and [I Love PDF](#).) **The final PDF document order must be: title page, process paper, paper, and annotated bibliography.** You can only upload one PDF so it must include all of these components.

**STEP 2:** Go to the National Contest registration website and log in to your NHD student profile. Click your name in the top right corner and select **My Profile** from the dropdown menu. Select the **Entry** tab.

**STEP 3:** Upload your PDF file into the **Paper** field. If you already have a file uploaded in your profile, you will need to delete and replace it with your updated file.

**STEP 4:** Click **Save**. That's it!
