NATIONAL HISTORY DAY® 2022

## ESCAPING THE TOPIC MAZE

*Debate & Diplomacy in History: Successes, Failures, Consequences*

### What is Debate?

Debates are often formal or informal meetings where people argue opposing views. Some debates have two sides, while others involve three (or more) perspectives.

### What is Diplomacy?

Diplomacy usually means negotiating, compromising, and communicating with people or nations to find a nonviolent solution to a perceived problem.

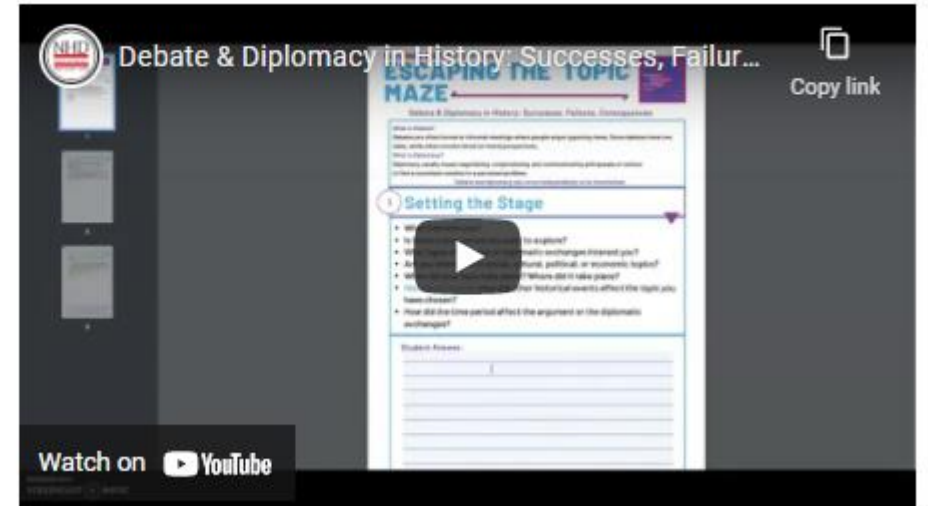

*Debate and diplomacy can occur independently or be intertwined.*

## 1 Setting the Stage

- What interests you?
- Is there a time period you want to explore?
- What types of debates or diplomatic exchanges interest you?
- Are you interested in social, cultural, political, or economic topics?
- When did your topic take place? Where did it take place?
