## GENERAL RULES

- **Requirement:**
  - My/our topic clearly relates to the annual theme.
  - This is an original entry. Each participant has only participated in one entry.
  - I/we have researched and created this website in the last year.
  - I/we certify that this is my/our original work. I/we have not used any improper assistance. Credit has been given properly.
  - I/we understand that using someone else’s work without properly crediting it is plagiarism and will result in disqualification.

## WRITTEN MATERIALS

- **Requirement:**
  - Website has no more than 1,200 student-composed words, excluding:
    - brief citations that credit sources
    - recurring menus, titles, and navigation instructions
    - word count notifications
    - primary sources
    - process paper
    - annotated bibliography
  - I/we have supplied a process paper within the website. The process paper (500 words or fewer) addresses:
    - how I/we chose our topic
    - how I/we conducted our research
    - how I/we selected to make a website and constructed this website
    - how my/our project relates to the NHD theme
  - There is an annotated bibliography within the website that contains:
    - a complete list of all sources used to create this entry separated into primary and secondary sources
    - annotations for each entry

All pages can connect by clicking links. I have checked all of my links to make sure that they work.

I/we have no more than four (4) minutes of multimedia (music and video) in the entire website.

I/we have all materials (pictures, primary sources, multimedia) included in the website, not linked to another website.

I/we have credited all materials (pictures, primary sources, multimedia) where they are placed in the website and in the annotated bibliography included in the website.

I/we know the website can be viewed on multiple browsers (Firefox, Google Chrome, etc.).

I/we have submitted the URL before the date listed for judging.
